OBJECTIVE

To get work in creative content media production including web development, YouTube channel creation and audience development.

SKILLS

Excellent attention to detail, good eye for design, branding, framing a picture. Confident in many popular social media platforms including TikTok and Twitter.

EXPERIENCE

PARTICIPANT – FACEBOOK DEVELOPER CIRCLES

October 2019 to Present

Attended a seminar at HQ about the career of a Google and Facebook Developer. Part of a few small teams with co-workers in Delhi and Nairobi. Interactive journal club member during lockdown, studying machine intelligence.

APPRENTICE – FUTURE BRIGHT

January 2019 – September 2019

My local council funded a careers progression opportunity which enabled me to get funding for a women's business network placement and I started the website and blog Superkey's Wordpress.

EDUCATION

LIVERPOOL INSTITUTE FOR PERFORMING ARTS

Arts, Music & Entertainment Management BA

Created a student magazine which became self-funding through advertising paid for by local cafes and a student travel company.

I have taken level 3 qualifications in Sports Leadership, YouthWork and Supporting Adults in Health & Social Care.

I have short courses in Cyber Security, Code Bootcamp and LinkedIn Learning modules on Google and introduction to popular programming languages.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Swimmer at a team for LGBTQI pro team at Bristol University.

I have taken part in research for Bristol & Avon Mental Health services, DIVA LGBTQI magazine about religion and sexuality, and for Bournemouth University - equality in funding for female start-ups.

During lockdown running an eBay and Facebook Marketplace business which sold £1500 worth of my own stock. The store has 100% feedback and helped me gain skills, make more local connections and some families appreciated material items they needed at a low cost.
